

ROGERS CITY LIMITS

Election News

May 7, 2022 is the date for the next local election. The City of Rogers will have three (3) separate items for you to consider. The first is to elect three (3) members to the City Council. The term will expire for current City Council members Doyle R. Harris, Jeff Watson, and Mayor Pro-Tem Ernest Stroud. Each of these have submitted their applications for re-election. In addition, there are five (5) more applicants. They are: Della Lashbrook, David Lee, Sharon Watkins, Courtney Watson, and Thomas Williams. You may vote for any three (3) of the above eight (8) applicants to serve the next two (2) year term.

There will be two (2) Propositions on the ballot. One of these is the reauthorization of the local sales tax: "The reauthorization of the local sales and use tax in the City of Rogers, Texas at the rate of one fourth of one percent to continue providing revenue for maintenance and repair of municipal streets. The tax expires on the fourth anniversary of the date of this election unless the imposition of the tax is reauthorized."

This proposition is just to reauthorize this process. The process was approved by voters in 2014 and must be reauthorized every four (4) years. As sales taxes come in, this portion is restricted to use for street repairs & maintenance and is budgeted separately in a Street Repairs and Maintenance line item. This item will NOT change your taxes, it simply restricts the funds.

The other item is a bond election to do major street and related drainage improvements. This item reads as follows: "The issuance of bonds for street and related drainage improvements in an amount not to exceed \$2,000,000 and the imposition of taxes sufficient to pay the principal of and interest on the bonds."

This proposition would increase the tax rate to meet the bond payments if approved by voters.
